High Floor Corner King + Balcony

HOTEL ON RIVINGTON

Located on floors 9–20 on the south-east corner of Hotel on Rivington and surrounded by floor-to-ceiling glass walls, it's not hard to see why the Corner King room is one of our most popular categories. With sweeping views across the NYC skyline, from Brooklyn to the famous Manhattan and Brooklyn Bridges, all the way to the Freedom Tower, these rooms are picturesque inside and out. The addition of a private balcony offers you the chance to step outside to take a breath of fresh air at any time of day.
